Failure to register the event code and licence plate at the ParkPlus pay machine may result in a parking infraction.

How to Use Your Event Code for Parking at Calgary Stampede

1. Park your vehicle and note your licence plate number. We recommend taking a photo of your licence plate to have the information handy.

2. Proceed to the ParkPlus pay machine. At the pay machine, follow these steps to enter the event code and your licence plate number:

    a. Press this icon located near the bottom.

    b. Enter the event code given and press the green checkmark on the screen when completed.

    c. Enter your licence plate number and press the green checkmark.

    d. Press whether you would like a receipt. You don't need to return to your vehicle or display a receipt on the dash.
